

Westgate Pool Rules and Regulations

We ask that all members of Westgate Pool be familiar with the Rules and Regulations detailed here. By paying the annual membership fees, you have agreed to all of the Rules and Regulations set forth by the Pool Board.

The Pool Manager and Life Guards are in charge and are responsible for enforcing these rules. Failure to comply with their direction will result in expulsion from pool grounds and membership revocation.

Admission

Memberships must be paid prior to members being admitted to the pool.

Admission to the pool area will be refused to anyone when the health or safety of the other pool members is in jeopardy. This would include, but is not limited to: colds, cuts, eye infections, open sores, and intoxication. Swimmers are required to shower before entering the pool.

No glass of any kind on pool property. Members are responsible for ensuring guests adhere to this policy. We cannot emphasize enough the importance of this rule not only for the safety of our patrons but because if glass were to get into the pool, it cannot be seen and will require the pool to be drained. **If you are found to have glass with you or in your coolers you will be considered in violation of this policy, which will result in membership revocation.**

Food is allowed in the picnic area only. This includes popsicles and candy. Please ensure your children adhere to this policy.
